

Latino Adult Education Services

LAES has developed a series of immigrant issue instructional modules entitled "Tierra de Oportunidad" for orientation to our complex society.

Student Survey "Women's Work Issues"

Date: _____

Student Name _____

Teacher Name _____

1. Do you think women have the same problems and opportunities at work that men do?

Do you think that:	For each line, Please check the box that applies to you			
	Yes Certainly	Yes Probably	No Not Sure	Probably Not
a. women have a chance to get into many different kinds of jobs?				
b. women have special rights protecting them from sexual harassment				
c. women have the right to get into the same kinds of jobs that men do				
d. women should take the time to look into training and participate in training that prepares them for new kinds of jobs				
e. women who are domestic workers (maids, baby-sitters) can demand that their employers give them the same rights and benefits as others				
f. it's useful for women to be bilingual in order to find work in jobs (like store clerks or medical office clerks) where they can talk both to customers and employers)				
g. where women can get more information or advice about their rights				

2. How important and useful do you think it is for women to know the following to getting ahead at work or improve their work conditions

	For each line, Please check the box that applies to you		
	Not Very	Somewhat	Very
a. know about minimum wage and overtime provisions			
b. keep records of the number of hours they've worked per day and per week			

c. join together to help each other to solve the problems they face at work or start their own work cooperatives			
d. How useful is it for married women to work to add to the family income even if their husbands are working			

3. How important is for you to learn more about the following?

	For each line, Please check the box that applies to you				
How important is it to:	Not Important	A little Important	Quite Important	Very Important	Already Know
a. what sexual harassment is					
b. women's rights protecting them from sexual harassment					
c. what job discrimination is					
d. what rights women have to not be discriminated against because of being women					
e. the kinds of better-paying jobs where women have the best chance of being hired					

4. How confident are you that you have the skills and knowledge you need to figure out the following?

	For each line, Please check the box that applies to you			
How important is it to:	Not Confident	A little Confident	Quite Confident	Very Confident
a. Calculate if you are making the minimum wage, after deductions				
b. Compute whether it's better to keep a job which only pays \$4.25 per hour or quit and spend 3 months out of work looking for a better job that pays \$7.00 per hour				
c. Do the calculations to decide whether it's worthwhile for a married woman to work even if the family spends more on childcare or transportation or food				
d. Decide whether it's worthwhile to take the trouble to spend 3 to 6 months in an employment training program which is likely (but not certain) to let you get a better job.				

5. What else would you like to learn about "Women's Work Issues" ?

I would like to learn:

Authors: Ed Kissam and Holda Dorsey

A project of the California Department of Education, Youth, Adult and Alternative Educational Services Division, funded by contract #4213 of the Federal P.L. 100-297, Section 353 with California State University Institute and Hacienda LaPuente USD. However, the content does not necessarily reflect the position of that unit or of the U.S. Office of Education. 1997
