LAES - On the Job Health & Safety

Tierra de Oportunidad - Module 4

## On The Job Health & Safety

**Student: Please work with your team in answering these questions.**

1. Why is it useful for workers to compare a job that covers their immediate needs against long-term occupational plans?
2. Under what circumstances can a worker refuse to do a job? What might be the consequences of refusing?
3. What does **invisible job hazard** mean?
4. What can cause a psychological stress? How can it be documented?
5. What programs can provide support to an injured worker?
6. What are the advantages and disadvantages of sharing information with co-workers?
7. Who is responsible to make sure that their health is not affected?
